Trunk Tamás: Generation Z speaker, author of the books: “Brands, Sneakers, Generation Z” and “Kintsugi, the duty of brands, i.e. the generation “Purpose”. He is a Youtuber, and a National Team Alpine Skier. He has experience in working together with companies on Generation Z campaigns and projects. He is the Generation Z advisor of the leading agency in the German speaking area, the Campaigning Bureau.

Prof. PaedDr. Silvia Pokrivčáková, PhD. is a lecturer, teacher trainer and researcher in language and literature pedagogy at University of Trnava, Slovakia, as well as at Tomas Bata University in Zlin, the Czech Republic. Being interested in a wide variety of subjects related to the contemporary problems of teaching foreign languages to young and teenage learners, she has been currently focusing on CLIL, CALL, and teaching English to learners with special educational needs (inclusive education). She is an author and editor of numerous monographs, research studies, teacher handbooks and textbooks, as well as an organiser of regular academic events for language pedagogy researchers and teachers.
